

No Dots of Flat Dome Light

- Compact design, new light guide plate, with more flexible installation distance
- The image is more uniform, reducing the effect of dots
- Two selections: constant on and strobe mode

Model	NTFD-E66L66W
Color	White
Power Consumption	10.3W
Wavelength/Color Temperature	6,800K
Input Voltage	24V
Weight	230g
Light Emitting Area	66x66mm

	Pin	Polarity
	1	+
	2	
	3	-
